

Light Ride 20"

SKU:
CY0001701820

Weight: medium
Volume: low to medium loud
Stick Sound: pearly, somewhat washy
Intensity: lively
Sustain: medium long
Bell Character: fairly integrated

Sound Character:

Fairly bright, gentle, airy, sparkling. Fairly narrow range, clean mix. Quite soft feel. Warm, articulate, unintrusive bell sound. Full, strong crash sound. Agile, dynamic ride for acoustic music or applications in moderate situations. Also well suited for crash/ride patterns in rather loud styles.
