

Light Ride 20"

SKU:

CY0001701820

Weight: medium

Volume: low to medium loud

Stick Sound: pearly, somewhat washy

Intensity: lively Sustain: medium long

Bell Character: fairly integrated

Sound Character:

Fairly bright, gentle, airy, sparkling. Fairly narrow range, clean mix. Quite soft feel. Warm, articulate, unintrusive bell sound. Full, strong crash sound. Agile, dynamic ride for acoustic music or applications in moderate situations. Also well suited for crash/ride patterns in rather loud styles.
