

Wild China 19"

SKU:
CY0001068819

Weight: medium
Volume: medium low to very loud
Stick Sound: crisp, pangy
Intensity: lively
Sustain: medium
Bell Character: integrated

Sound Character:

Wild, roaring, dark, trashy, shimmering. Wide range, fairly complex mix. Responsive feel. Aggressive, widespread, shattering attack with an oriental, acidic decay. Perfectly suited for all types of extreme musical styles that require a sturdy, almost uncontrollable China. Odd sizes offer a unique and different alternative to your set up.
