

## Dark Ride 20" 22"

SKU:  
CY0005507020, CY0005507022

Weight: medium thin  
Volume: low to medium loud  
Stick Sound: fairly washy, steady  
Intensity: lively  
Sustain: medium long  
Bell Character: integrated, low pitched

### Sound Character:

Dark, warm, smoky, breathy. Fairly wide range, complex mix. Soft feel with a quick response. Very well crashable. Controllable, peppery stick sound over a dark layered oriental, smoky wash. A ride cymbal that can easily be used in a small jazz club setting and flourish in other styles such as blues or country music.
