

## Light Ride 20"

SKU:  
CY0001701820

Weight: medium  
Volume: low to medium loud  
Stick Sound: pearly, somewhat washy  
Intensity: lively  
Sustain: medium long  
Bell Character: fairly integrated

### Sound Character:

Fairly bright, gentle, airy, sparkling. Fairly narrow range, clean mix. Quite soft feel. Warm, articulate, unintrusive bell sound. Full, strong crash sound. Agile, dynamic ride for acoustic music or applications in moderate situations. Also well suited for crash/ride patterns in rather loud styles.
